Financial Market Infrastructure (FMI) Development Roadmap

- Cebu Action Plan Initiative under 3C (Capital market development): "development of a roadmap to improve regional financial infrastructure"
- Objective: To help member economies improve the region's FMI, including promotion of crossborder portfolio investment through improved FMI connectivity and inter-operability.
- Identifying issues related to settlement process (incl counterparty risk), separation of onshore and
 offshore markets, FX funding, transparency to regulators (e.g., KYC, AML), transparency to tax
 authorities (beneficiaries), double taxation issues, potential risks arising from greater
 interconnectedness etc.
- Participants:
 - Financial intermediaries (Deutsche, BNY Mellon, Citi, Euroclear, JP Morgan, Banchile Inversiones, etc.) + broker-dealers and industry associations (ASIFMA, ICMA, ISDA, GFMA, PASLA)
 - Multilateral institutions (IMF, ADB)
 - Exchanges, CCPs and CSDs (Japan Exchange, Santiago Stock Exchange, Lima Stock Exchange, Hong Kong Exchange, DTCC, Korea Securities Depository)
 - · Information services (Bloomberg, NRI, PayPal, SWIFT)
 - Financial regulators, central banks, finance ministries to be invited.
- · 2017 activities
 - · Conference calls with key stakeholders representing the broad industry
