Wishnu Wardhana is President Commissioner of PT Indika Energy Tbk.

PT Indika Energy Tbk. is Indonesia's leading integrated energy company with strategic investments in the three business pillars of Energy Resources – coal production (PT Kideco Jaya Agung – Indonesia's 3rd largest coal producer, and PT Multi Tambangjaya Utama) and Coal Trading (PT Indika Energy Trading), Energy Services – engineering, procurement and construction in oil and gas sector (PT Tripatra Engineering and PT Tripatra Engineers and Constructors); engineering, procurement, construction and contract mining (PT Petrosea Tbk.), and Energy Infrastructure – transportation, port and logistics solutions for bulk materials and natural resources (PT Mitra Bahtera Segara Sejati Tbk.), coal-fired power plant (PT Cirebon Electric Power), and logistics and supply chain management (Indika Logistics, Petrosea Offshore Supply Base)

Mr. Wardhana previously served as President Director and Group CEO of PT Indika Energy Tbk. from 2013 to 2016. He also holds multiple board positions at PT Indika Inti Corpindo, PT Indika Mitra Energi, PT Indika Energy Infrastructure and PT Kideco Jaya Agung. Outside Indika Energy Group, he also serves as President Director of PT Teladan Resources and Commissioner of PT Indoturbine.

In addition, Mr. Wardhana served as Vice Chairman for Energy and Oil and Gas of the Indonesian Chamber of Commerce and Industry (KADIN) from 2013 to 2015

He graduated from Pepperdine University, USA, with a Bachelor of Arts in Economics in 1993.
