Bond Market Legal Infrastructure

Private/Public Sector Initiatives

Formation of Asian Securities Industry Association (ASIA)

- Membership – underwriters of bond issues
- Finance ministers to encourage development and participation
- Activities to include
  - Master Agreement for Regional Bond Issues
  - Promotion of economic infrastructure reform
Bond Market Legal Infrastructure

Private/Public Sector Initiatives to Promote Regional Bond Markets

ASIA Master Agreement for Regional Bonds

• Cross-Guarantees
• Security Arrangements
• Dispute Resolution Procedures - Arbitration
Bond Market Legal Infrastructure

Private/Public Sector Initiatives to Promote Regional Bond Markets

Regional Centres of Arbitration

- More acceptable "ADR technique" in Asia
- Less infrastructure than courts
- Can be undertaken by private sector
- Can involve "commercially astute" arbitrators
- Cross-border recognition: Convention on the Recognition and Enforcement of Foreign Arbitral Awards

Bond Market Legal Infrastructure

Private/Public Sector Initiatives to Promote Regional Bond Markets

Formation of Association of Insolvency Professionals

- Support from Finance Ministers
- Support from ASIA
- Support from INSOL International
- Enhanced technical capacity to resolve issues both:
  - Where default is possible but an informal workout may be available; and
  - On default
