Jason Chen has been Chairman and CEO of Acer since 2017. From 2014 to 2017, he served as Corporate President and CEO, during which time he played a pivotal role in driving Acer's corporate transformation and diversification into new business areas.

Before joining Acer, Mr. Chen served at the Taiwan Semiconductor Manufacturing Company, Limited (TSMC) from 2005 to 2014 as Vice President of Corporate Development and Senior Vice President of Worldwide Sales and Marketing.

From 1991 to 2005, Mr. Chen enjoyed a 14-year career at Intel, holding a variety of sales and marketing positions in growing capacity. His last assignment was as Corporate Vice President of Sales and Marketing Group based at the headquarters in Santa Clara, U.S.A. From 1988 to 1991, he worked at IBM Taiwan.
