

Sabin M. Aboitiz is the President and Chief Executive Officer of the Aboitiz Group of Companies, one of the largest conglomerates in the Philippines with interests in energy, banking, food and beverages, real estate, infrastructure, construction, technologies, data science and artificial intelligence.

Outside the Aboitiz Group, he holds positions in various business and socio-civic organizations in the Philippines and abroad, including Lead Strategic Convener of the Private Sector Advisory Council to the Philippine government, member of the United Nations Global Compact Network Philippines Board of Trustees, founding Philippine member (as Chairman of Aboitiz Foundation) of Philanthropy Asia Alliance, and Steward of the Council for Inclusive Capitalism.

His creative and resourceful approach to employee engagement has earned him the *Philippine Quill Award of Excellence for Communication Management*, and his commitment to sustainability has led the Group to the frontlines of renewable energy in the Philippines.

Known for his passion for people and innovation, he is currently leading the Aboitiz Group on a 'Great Transformation' towards becoming the first Philippine techglomerate.
