

Eric Sung is Chairman of the Korea Venture Business Association (KOVA). Mr. Sung plays a vital role in supporting startups and venture businesses, empowering entrepreneurs to enhance their ability to thrive independently and compete globally.

Mr. Sung is the Founder and Chief Executive Officer, and Chairman of the Board of Directors of Intellian Technologies, the world leader in satellite communication antenna systems. Intellian was founded by Mr. Sung in 2004 and his profound expertise in the technology industry and extensive Telco experience have greatly contributed to the growth and success of the company. Under his leadership, Intellian has emerged as the No.1 market leader and successfully went public on KOSDAQ in 2016.

In recognition of his outstanding contributions to the industry, Mr. Sung was honored by the Korean Government with the Presidential Award in recognition of Industry Technology Merit in 2011. In addition, Mr. Sung and Intellian received the prestigious Presidential Award from the Ministry of Science and ICT of Korea in 2018 for their groundbreaking Tri-Band/Multi-Band Antenna v240MT. He was also recognized as the Ernst & Young *Entrepreneur of the Year* in Korea in 2019.
