

**Kriengkrai Thiennukul** is Chairman of The Federation of Thai Industries.

The Federation of Thai Industries (FTI) is a leading private sector organization representing around 16,000 companies. It brings together industrial leaders to advance Thailand's economic development and is officially recognized by the government as the voice of Thai manufacturers at both national and international levels. Under his leadership, FTI promotes the vision of "ONE FTI" through its 4GO strategies: Go Digital & AI which promotes the adoption of digital technology and artificial intelligence (AI) in production and management; Go Innovation which supports the creation of new innovations and products to enhance competitiveness;

Go Green which encourages environmentally friendly production and efficient energy use; and Go Global which helps SMEs expand their markets internationally.

Mr. Kriengkrai also serves as a Board Member of the Thailand Board of Investment; a Board of Trustees member of the Sirindhorn International Institute of Technology, Thammasat University; and a Member of the Board of Directors of The Higher Education Commission, Ministry of Higher Education, Science, Research and Innovation.

He holds a Bachelor of Economics from Thammasat University (1981), completed the Executive Management Seminar at The Wharton School, University of Pennsylvania (2002), and attended the National Defense College of Thailand (2009).
