

Hann Yeoh is Executive Director of YTL Power International Berhad, one of Asia's largest infrastructure and utilities companies, where he leads the infrastructure and digital venture arms. He is a 3rd Generation leader of the YTL Group, one of Malaysia's largest multinational conglomerates.

YTL Power and its partner Sea Ltd. were awarded one of five digital banking licenses in Malaysia in April 2022. In digital infrastructure, YTL Data Centers launched the solar-powered YTL Green Data Center Park in Johor, offering 500 MW of data center capacity - the largest of its kind.

In December 2023, YTL announced a partnership with Nvidia, one of the world's largest technology companies to develop a 100 MW AI Data Center in its Johor campus to accelerate AI computing in the region.

He is a member of the board of Wessex Water in the United Kingdom as well as YTL PowerSeraya in Singapore. YTL PowerSeraya is the second largest producer of electricity and the largest energy retailer in Singapore, with 3,100 MW of licensed capacity.

In the venture capital space, he is a founding partner of AC Ventures Malaysia and the SEA Frontier Fund, a US$ 50 million fund which invests in and partners with transformative technology companies in Southeast Asia.

Mr. Yeoh was recognized as a *Young Global Leader* at the World Economic Forum in its Class of 2022.

He holds a Master and Bachelor of Engineering Science (Honors) from Brasenose College, the University of Oxford where he was the recipient of the Gibbs Prize.
