

**Hidenori Furuta** is Non-Executive Chairman, Member of the Board at Fujitsu Limited. He joined Fujitsu in 1982 as a system engineer, working on large-scale projects for major clients in the oil, chemical, and electronics industries. Over the years, he took on leadership roles in global system integration and delivery.

In 2012, he became a Corporate Executive Officer, and in 2014, he was promoted to Executive Vice President, leading global delivery operations from the UK. He helped expand services worldwide and improved delivery quality and standards.

From 2018, he led Fujitsu's Digital Services Division, driving digital transformation both inside and outside the company. In 2019, he also became CTO and CIO, and was appointed Corporate Vice President. In 2020, he took charge of global solution services and overseas operations.

He served as COO from April 2021 and became Chairman in April 2024. He also serves as Executive Committee Member of the World Business Council for Sustainable Development (WBCSD).
