

Nguyen Thanh Hung is the Founding Chairman of SOVICO Group.

Established in the 1990s, SOVICO Group has been one of the leading private conglomerates in Viet Nam, with 42,000 employees working for its subsidiaries in various sectors, including aviation (Vietjet Air), finance & banking (HDBank), real estate, hospitality, innovation, and renewable energy along with digital transformation, green transformation, circular economy, sustainable development and net zero. With visionary leadership, SOVICO Group has developed a powerful digital ecosystem that does not only benefit its customers but also contributes to a more prosperous Viet Nam.

Dr. Hung obtained a Master's degree in electrical engineering from Ukraine and a Doctorate from the Russian Academy of Science in Moscow.
